Message

I deem it a great privilege to remain associated with this college since its inception. I am extremely happy that this pioneer institution is completing its 9th year.

Education may not be the only or may be the most effective means to shape individual personality or the society at large; yet, there is a clear universal agreement to give it some credit for both. A good institution, as such, leaves an indelible imprint on the personality of a person who does serve the society ultimately according to his or her attainment whatever may be the pedagogical principles of any system of education. The crucial role of the teacher cannot be ignored. Hence, there must be a serious consideration and well-thought planning for orienting and developing successful teachers. In this regard, I feel a great sense of pleasure and gratitude in appreciating the sincere and serious efforts rendered by the well-qualified teachers of our Teachers' Training College.

I must not forget to thank all of my colleagues for their valuable services and kind cooperation.

In fact, I feel honestly with reverence that all the efforts could have been possible only due to the blessings of my parents, My father Late Shree Jai Narayan Singh Solanki & My mother Late Rita Devi.

I wish the prosperity of this College.

College at a Glance

Solanki B.Ed. Teachers' Training college, Moti Nagar, Bara Telpa, Chapra was established in May, 2007. Before 2009, there was not even a single teachers' training college in even the divisional headquarter in Chapra. As such, it was a long cherished demand of the local people to establish a teacher training college in their own town Chapra to create an atmosphere of healthy growth or successful teachers, endowed with national attitudes to serve the schools and the society as well. Solanki B.Ed. Teachers' Training college is recognized by the ERC, National Council of Teacher Education, Bhubaneswar. This college was accorded permanent recognition by Jai Prakash University, Chapra, (Bihar) for conducting B. Ed. Course.

As regards the Training colleges, its serious concern and effort is to help the development of the whole person so as to be fully developed human, truthful Indian and considerate modern. Well managed and right education leads to liberation and real learning is excellence of wealth to preserve peace and maintain the progress in every sphere of life. Education plays a vital role and the places where it is imparted are the right seed leads for culture and character along with the fate of the nation, because from there come-out the statesman, scholars, patriots, scientists, philosophers and so on to determine the progress of the nation.

Aims And Objectives

The college aims at an integral growth of pupil -teacher through integral pedagogical context, experience, reflection, action and evaluation; to be well motivated teachers who will be intellectually competent, morally upright, socially committed and spiritually inspired. Further, it aims at providing and promoting values such as respect for common cultural heritage, egalitarianism, democracy, secularism, equality, protection of environment, removal of social barriers, responsible use of mass media, transparency and probability in private and public life, observance of balanced family norms, national unity and integration, and respect for religious and moral values.

In addition to all these, the college aims at conducting in-service programme for teachers and administrators already working in college to develop the necessary skills of modern information technology and innovate practices. The college encourages, motivates and undertakes keen interest in higher studies and research work therein.
